STARTING POINT

visitMons, Grand-Place 27 - 7000 Mons

ROUTE DESCRIPTION

From the Grand Place de Mons to Cuesmes via the former Marcasse colliery in Colfontaine, explore Mons-Borinage and the different locations where Vincent van Gogh used to live and work in the region. It was during his time in the Borinage and Mons that Vincent van Gogh moved from a career as a preacher to an artist. It was here that he developed a preference for the motifs of the daily lives of farmers and labourers.
