## STARTING POINT

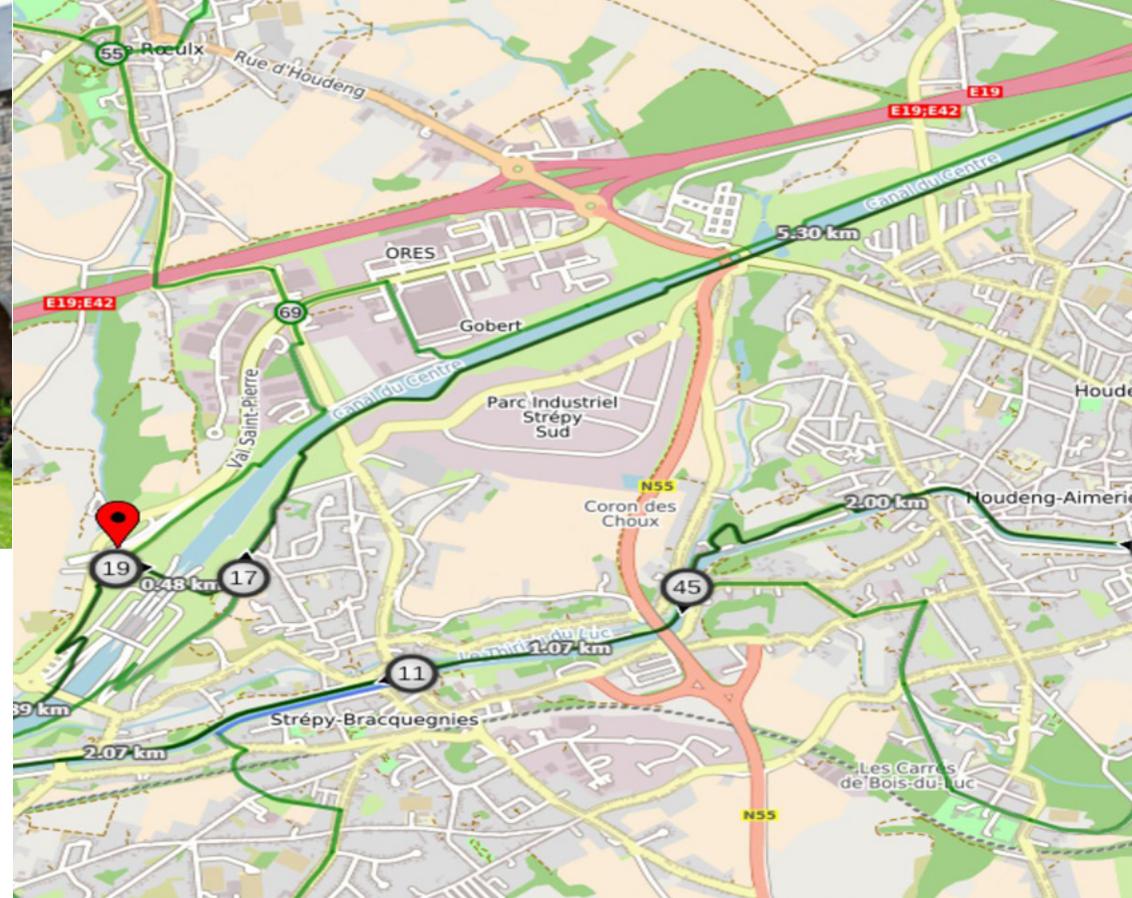

**Ronquières Inclined Plane**  
Route Baccara 1w, 7090 Braine-le-Comte

## ROUTE DESCRIPTION

Start your ride at the **Ronquières Inclined Plane**. Visible for many miles around, the boat lift's tower offers both stunning views and a presentation about shipping entitled "A boat, a life". You can then head off to discover the **Château Fort d'Ecaussinnes-Lalaing**.

Recognised as a major Walloon heritage site, this fortified castle sits on a rocky bluff above the village that grew around it. It also houses a museum that brings together the collections assembled by **Adrien van der Bruch: Hainaut porcelain**, furniture from the **17th and 18th centuries and more**.

Finish up your ride by exploring the **wooded town of Braine-le-Comte**. Made up of picturesque villages, ancient farms and great expanses of meadowland and woods, it's an ideal place for a ride.
